This is only open to anyone aged 13 to 18 and no one else and only if we have met the young person and know who they are will we accept them as a friend. Our profile is set to "Only Friends" so only once we accept the member will they be able to see any of our profile. This means **no unwanted person can see any of the photos, comments, friends list or anything thing else on our profile "Shadwell Basin"**. We have tried to make this a safe environment for everyone to use and the members will have to abide by the code of conduct we have set out on the front of this form.

If it is ok with you for the uploading of photos and for your child to become a member please sign both boxes below.

If it is ok for your child to become a member but you do not wish any photos of them to be uploaded then please only sign the top box. If you would like our policy or more information please ask in the office.
